SENIOR DESIGNER OPPORTUNITY

Currier & Associates, Inc. is a leading, free-standing full-service interior design services firm specializing in the creation of enriching living, healing and working environments. Our team provides consulting, interior design, space planning, interior architecture, project coordination and purchasing/installation services to a variety of clients in the Eastern USA. We develop uplifting, functional environments that reflect the values of the client and the needs of the people who will live and work in them.

We are currently seeking a senior designer to join our team in a key creative role. This individual will lead project teams in the development of design projects with responsibility for all phases from programming to the review of the executed design. A motivated, positive and creative NCIDQ qualified designer with a minimum of 6 years experience who is seeking a reinforcing, values-based and team-oriented environment is an ideal candidate. (8 years without NCIDQ). Experience designing healthcare and/or senior living residence environments is important. If you enjoy a fast pace and have excellent design, organizational and communications skills along with the technical, code, process, documentation, etc knowledge and skills required to be effective and efficient, we should meet.

The company is committed to personal growth and the evolution of a proactive, can-do culture in which each team member is able to support the collective core ideology and shared values.

An interested candidate should contact Art Currier at the above address or via e-mail to acurrier@currierdesigns.com. Have a great day.
